RE: PARTNERSHIP APPLICATION

We thank you for your interest in the Stitch It Store Partnership proposal.

There are a number of steps involved in being "approved" for a Stitch It Store Partnership.

1. Complete the information/application form and return the completed application to Stitch It at the address below.
2. You will be contacted for a 10 minute interview over the telephone at which time the Stitch It Store Partnership concept will be explained.
3. If you are still interested, we then process a non-refundable \$100 (plus applicable taxes) Processing Fee payable by credit card to review your application to be a Stitch It Store Partner.
4. If you meet our minimum selection criteria, upon signing our Confidentiality Agreement, we will deliver to you our Asset Purchase Agreement and Partnership Agreement for review with your legal and accounting advisors.
5. After 15 days, if we mutually agree to proceed, we both sign the Asset Purchase Agreement and the Partnership Agreement and thereafter sign and deliver any other documents and you remit any amounts payable contemplated by those Agreements on the closing date.

Stitch It does not give any assurance that you will be accepted as an eligible candidate to be a Partner.

It is the policy of Stitch It to keep your application and to the extent possible, your information described in your application, confidential and Stitch It is providing information to you as an applicant with the understanding that you will keep all such information confidential as well, whether or not you become a Stitch It Store Partner.
